Storyline

Jason thought his inheritance was going to be the gift of money and lots of it. Was he ever in for a big surprise. Based on the best-selling book "The Ultimate Gift" by Jim Stovall, the story sends trust fund baby Jason Stevens on an improbable journey of discovery, having to answer the ultimate question: "What is the relationship between wealth and happiness?" Jason had a very simple relationship with his impossibly wealthy Grandfather, Howard "Red" Stevens. He hated him. No heart-to-heart talks, no warm fuzzies, just cold hard cash. So of course he figured that when Red died, the whole "reading of the will" thing would be another simple cash transaction, that his Grandfather's money would allow him to continue living in the lifestyle to which he had become accustomed. But what Red left him was anything but simple. Red instead devised a plan for Jason to experience a crash course on life. Twelve tasks, which Red calls "gifts," each challenging Jason in an improbable way, the ...

JASON MRAZ LYRICS

"Lucky"

(feat. Colbie Caillat)

<http://www.azlyrics.com/lyrics/neilyoung/afterthegoldrush.html>

"After The Goldrush"

Well, I dreamed I saw the knights
In armor coming,
Saying something about a queen.
There were peasants singing and
Drummers drumming
And the archer split the tree.
There was a fanfare blowing
To the sun
That was floating on the breeze.
Look at Mother Nature on the run
In the nineteen seventies.
Look at Mother Nature on the run
In the nineteen seventies.

I was lying in a burned out basement
With the full moon in my eyes.
I was hoping for replacement
When the sun burst thru the sky.
There was a band playing in my head
And I felt like getting high.
I was thinking about what a
Friend had said
I was hoping it was a lie.
Thinking about what a
Friend had said
I was hoping it was a lie.

Well, I dreamed I saw the silver
Space ships flying
In the yellow haze of the sun,
There were children crying
And colors flying
All around the chosen ones.
All in a dream, all in a dream
The loading had begun.
They were flying Mother Nature's
Silver seed to a new home in the sun.
Flying Mother Nature's
Silver seed to a new home.

Do you hear me, I'm talking to you
Across the water across the deep blue ocean
Under the open sky, oh my, baby I'm trying
Boy, I hear you in my dreams
I feel your whisper across the sea
I keep you with me in my heart
You make it easier when life gets hard

Lucky I'm in love with my best friend
Lucky to have been where I have been
Lucky to be coming home again

They don't know how long it takes
Waiting for a love like this
Every time we say goodbye
I wish we had one more kiss
I'll wait for you, I promise you, I will

Lucky I'm in love with my best friend
Lucky to have been where I have been
Lucky to be coming home again
Lucky we're in love in every way
Lucky to have stayed where we have stayed
Lucky to be coming home someday

If you are happy and you know
it clap your hands. (clap, clap)
If you are happy and you know it
clap your hands. (clap, clap)
If you are happy and you know it
and you really want to show it.
If you are happy and you know it
clap your hands. (clap, If you are

happy and you know it
stomp your feet. (stomp, stomp)
If you are happy and you know
it stomp your feet. (stomp, stomp)
If you are happy and you know it
and you really want to show it
. If you are happy and you know it
stomp your feet. (stomp, stomp) clap)

Использование пословиц и поговорок

Пословицы и поговорки представляют собой образцы народной мудрости. В лаконичной форме в них передается коллективный опыт, накопленный несколькими поколениями людей. Этот опыт может быть применен ко многим жизненным ситуациям, благодаря такому свойству пословиц как *метафоричность*. Благодаря единству формы и содержания, пословицы легко запоминаются, их удачное употребление украшает речь, придает ей глубину и образность.

- **Задание 1.** Найдите лишние слова в приведенных ниже пословицах и вычеркните их.

*There is no best place on Earth than like home.
(There is no place like home.)*

Always early to bed, and early to rise makes every a man healthy, wealthy and really wise. (Early to bed and early to rise makes a man healthy wealthy and wise.)

- **Задание 2.** Из списка разрозненных слов восстановите текст пословиц.

Troubles/East/best/An apple/is/trouble/keeps away/home/a doctor/or/West/Don't/a day/trouble/until/trouble you. (Don't

trouble troubles until troubles trouble you. An apple a day keeps a doctor away.)

Использование игр

- **Учебная игра** – это особо организованное задание, требующее напряжения эмоциональных и умственных сил. Она представляет собой небольшую ситуацию со своим сюжетом и действующими лицами, у которых есть общая и/или особенная роль, специфическая цель в конкретной процедуре общения.

Использование компьютерных презентаций

Компьютерные презентации позволяют:

акцентировать внимание учащихся на значимых моментах излагаемой информации; создавать наглядные эффектные образцы в виде иллюстраций, схем, диаграмм, графических композиций и т.п.; воздействовать сразу на несколько видов памяти: зрительную, слуховую, эмоциональную и в некоторых случаях моторную.

George Gordon Byron

George Gordon Byron, later Noel, 6th Baron Byron FRS was an Anglo-Scottish poet and a leading figure in Romanticism.

Amongst Byron's best-known works are the brief poems "She walks in beauty," and "So, we'll go no more a-roving," and the narrative poems *Childe Harold's Pilgrimage* and *Don Juan*. He is regarded as one of the greatest European poets and remains widely read and influential, both in the English-speaking world and beyond.

Byron's fame rests not only on his writings but also on his life, which featured extravagant living, numerous love affairs, debts, separation, and marital exploits. He was famously described by Lady Caroline Lamb as "mad, bad, and dangerous to know."

Byron served as a regional leader of Italy's revolutionary organization the Carbonari in its struggle against Austria. He later travelled to fight against the Ottoman Empire in the Greek War of Independence, for which Greeks revere him as a national hero. He died from a fever in Messolonghi in Greece.

Использование компьютерной презентации на уроке позволяет:

- повысить мотивацию учащихся;
- использовать большое количество иллюстративного материала;
- интенсифицировать урок, исключив время для написания материала на доске;
- вовлечь учащихся в самостоятельный процесс обучения, что особенно важно для развития их общеучебных навыков. В данном случае компьютер служит средством для поиска необходимой информации, а также стимулом для формирования речевых высказываний.
